Dear Resident:

For years, the military veterans of our area have worked hard to protect our country and our way of life. My grandfather, Tom Perrine, a lifelong town resident, served in the army during the Korean War. In honor/memory of the military veterans of Independence Township and our surrounding area, I am planning to build a large pavilion dedicated to those who gave all for our country. I would like to honor all veterans, whether they served during peace time or during a war. This will serve as my project to help me attain the rank of Eagle Scout. I have chosen Vienna Methodist Church for the location for my project, as my mom and my grandparents have been church members for years, and I was baptized in the Vienna Methodist Church. Although I have plans ready and scouts to help me, unfortunately I cannot start building without first raising funds. I am hoping that the families and friends of local veterans will help me to honor the township's military personnel by making a donation.

The Military Pavilion will be located in the field behind Vienna United Methodist Community Center. The community center is located on Route 46 in Vienna. It will be approximately 24 feet long and 20 feet wide. Not only will this pavilion honor the veterans of our area, but it will also benefit the church as well as the Selah Adult Day Care Center, which is located on the property. The church and day care center will be able to use the pavilion for many outdoor functions.

While all donations will be accepted, donations over \$30 will be acknowledged on a commemorative plaque inside the pavilion in honor or in memory of their veteran's service. I am also asking for donations from local civic organizations and businesses. These donations will also be commemorated with a plaque.

Please include the following about the veteran you would like to honor or return the enclosed flyer:

Name of veteran, Whether it is in honor of/or in memory of the veteran, Branch of Service, Years or War served in, as well as the name of the donor so I can include it on the plaque. Again, I would like to honor ALL local veterans, whether they served during peace or war time, and regardless of if they still live in the area or have moved since then.

For more information, please call me at 908-852-1974 or e-mail me at jordan.perrine@yahoo.com. Donations can be made payable to Boy Scout Troop 158 and mailed to my address listed above.

Thank you for your support,

JORDAN PERRINE
